

Seems history has a nasty way of repeating itself for Daniel Kane. Its bad enough his mother harbored a secret about his heritage. Now his ex-girlfriend Rebecca Ballard is trying to do the same thing! Not on his watch. His son is going to know who his father is. But to give his child the future he deserves, Daniel has to make nice with Rebecca. That he can do. But hes not so sure he can forgive her for keeping their child a secret. Funny thing happens, though. Spending all that time with the pair makes him realize he might still care for her!
