

Celebrate the holidays with this remarkable McKettrick tale by beloved #1 New York Times bestselling author Linda Lael Miller. With his wild heart, Sawyer McKettrick isn't ready to settle down on the Triple M family ranch in Arizona. So he heads to Blue River, Texas, to seek a job as marshal. But in a blinding snowstorm, he's injured and collapses into the arms of a prim and proper lady in calico. The shirtless, bandaged stranger recuperating in teacher Piper St. James's room behind the schoolhouse says he's a McKettrick, but he looks like an outlaw to her. As they wait out the storm, the handsome loner has Piper remembering long-ago dreams of marriage and motherhood. But for how long is Sawyer willing to call Blue River home? As the gray skies clear, Piper's one holiday wish just might bring two lonely hearts together forever.
