

On the run from Aislin, Alaysha and her comrades enter the burnt lands only to suffer the real threat of starvation and thirst. If she could find a way to use the approaching travelers for her good, Alaysha is sure they'll all be saved. But when the fellow travelers turn out to be a caste of Enyalia who have no use for men save the one ritual they abduct them for, their salvation quickly shifts to a bid for freedom as Alaysha must find a way to save all her men from certain death. Bone Witch is book three in the Witches of Etlantium series, a new adult supernatural fantasy series for women of all ages, but recommended for those over seventeen. There's a good bit of intrigue, a smidgen of magic, and of course, some steamy romance.
