

Bright Day J.B. Priestley Great Northern Rediscovering Priestley Special Edition with extra content. Disillusioned scriptwriter Gregory Dawson is holed up in a Cornish hotel writing a script he must finish. A chance encounter in the bar sends him back to the lost world of his youth before the slaughter of The First World War. Caught in the past Dawson relives his time within the magic circle of the Alington family, days on the moors, his work in a wool office and his first tentative steps towards becoming an author. As this forgotten time takes on a new shape he slowly realises that to have any chance of a bright future he must first exorcise the ghosts of his past... First appearing in 1946, J.B. Priestley's Bright Day was a huge critical and popular success. Its message of hope and promise echoed the expectations of a nation after the long dark years of war. It is a message that still resonates with our own troubled and changing times. This sixtieth anniversary edition opens this wise, moving and optimistic book to a new generation and comes with a biography of Priestley, forewords by Tom Priestley and Margaret Drabble, a literary tour and unique contributions from many leading names in literature, art, politics and drama. A grand writer, a great writer. Beryl Bainbridge Bright Day is good Priestley's republication is an event to be celebrated. Melvyn Bragg Bright Day is a gripping and readable novel, with a powerful page-turning plot. Margaret Drabble The rediscovery of Priestley as both novelist and playwright is long overdue. Michael Billington, The Guardian J.B. Priestley is one of our literary icons of the 20th Century and it is time that we all became re-acquainted with his genius. Dame Judi Dench

Helping Hurting People: A Handbook on Reconciliation-Focused Counseling and Preaching, The Hand-Crafted Folding Knife: Making a Lockback Knife With Simple Hand Tools, My Little Pony: Equestria Girls (My Little Pony: Friendship Is Magic), The Lesson Of Evil, Video Games and Violence (Thinking Critically),
