

The sexy, breathtaking mystery continues in New York Times and USA TODAY bestselling author Lisa Renee Jones's stunning second novel in the suspenseful Careless Whispers series—where shocking revelations will reveal themselves and nothing, and no one, will ever be the same. Still struggling with amnesia, Ella questions everything she's known about Kayden Wilkens—the alluring stranger who claims to have found her unconscious in an alleyway a month earlier. But was he truly a stranger—or did Kayden know her before his supposed rescue? Tormented by the potential betrayal he denies, with fleeting memories of a bombshell in her recent past, Ella must face a hard reality. Every action has consequences ... and trusting Kayden, the one thing she most desires, might result in the direst consequences of all. New York Times and USA TODAY bestselling author Lisa Renee Jones, whose searing novels generate "enough heat ... to start a fire" (RT Book Reviews), dares you to fall in love with her irresistibly surprising and sexy new series.
