

This bundle includes the following short stories: DRIP Ben takes a tour of a new townhouse for sale at half the list price. The place checks out - normal neighborhood, all new appliances, and a balcony all to himself. Its only when the realtor goes to get the papers for him to sign that he sees her - his neighbor, sipping her steaming coffee in the buff on her balcony while taking a nonchalant wee. Only when she finishes and shakes off the last drips does he realize she saw him. She turns to his balcony with a grin and invites him to join in her fun the next morning. Will Ben have the balls to take the bait or will he cower in a corner, continuing to watch her through a window? But more importantly, how will he cover up the wetness seeping into his pants before the realtor returns? BOSTON PEE PARTY Lee hosts a regular pee party at his mansion with a game to see who can hold out the longest. But tonight, a new winner will be crowned because Lee spots a desperate pee shy woman in his kitchen, ready to burst. He makes it his mission to make her his but ends up losing her in the crowd. Will he be able to fight off the exhibitionists and voyeurs in search for the girl, or will he succumb to his need and temptations? DRENCHED Cotton candy hair and toe socks. Thats all Vanessa wears when she greets her partners at the door. But Doc proves to be one bad boy. When he steps in her house, he drops to all fours and begs to be leashed and led outside. Vanessa obliges but doesnt know what shes in for. When Doc raises his leg outside and releases a golden arc across the top of her foot, Vanessa finds a new love for a fetish shed never explored before. She quickly realizes she must teach him a lesson: only good boys get to pee when and where they want.
