

Writer Rod Everlar is still lost in the magical world he once thought heâ€™d created - but the forces of dark magic he found there have now set their sights on a new world to conquer - Earth! This is the third and final book in the bestselling Falconfar trilogy. FALCONFAR is the third thrilling adventure in the Falconfar saga. Fantasy writer Rod Everlar is now hopelessly lost in the magical world he once thought heâ€™d created, as he searches for his only friend, the guide who brought him there: the maimed warrior-woman Taeauna. She has been captured by the evil wizard Malraun, who has taken her to his bedâ€™ while Malraunâ€™s armies conquer Falconfar, castle by castle and hold by hold. Malraun has his rivals, other evil wizards who seek to defeat him and rule all Falconfar. Rod Everlar, the fell â€™Dark Lordâ€™ of legend, supposedly able to hurl world-shattering spells, is feared and hated by everyone... but canâ€™t cast a single spell. Beset by the wizards, their armies, and the dragonlike monsters they command, Rod finds his luck running out as his ruthless foes discover a new world to conquer: our Earth.
