

All three books about Karen and Robert in the Falling For Him Series - new adult romantic series box set, romance bundle. Karen thought she had it all: a good job, wonderful friends, and an awesome boyfriend. But after the wedding party of one of her friends, her perfect world comes down when her boyfriend Robert confesses he's already married to another woman - a woman he hasn't seen in more than four years and has no idea where she is or if she still lives. Can he find his wife and get a divorce? And can Karen forgive him for his huge lie? Soon enough they find out there's much more at stake than just their own happiness. The boxed set is part of the Falling for Him series. This steamy contemporary romance series is written for readers who enjoy contemporary romance, women's fiction, and new adult romance. Karen and Robert - The Complete Collection can be read as standalone novella, but you might want to read the other books in the series for greater enjoyment.
