

In From Cape Town With Love , Blair Underwood has produced 6 action packed, sizzling videos that blend with the text to tell the next chapter in the story of actor-turned-detective Tennyson Hardwick. Hardwick solved two high-profile deaths in Hollywood, but nothing has prepared him for a race to save a child's life. Tennyson's past in the sex game cost him his new girlfriend, and he brings her to Cape Town, South Africa—a scenic film destination and playground for the rich—to try to win her back. There Tennyson is hired as a bodyguard by superstar Sofia Maitlin when she visits an orphanage to adopt an African child. Months later, Maitlin offers Tennyson one of Hollywood's hottest tickets—a job as a bodyguard at adopted daughter Nandii's A-list celebrity birthday party.
