Join Patti, a 52-year-old woman, as she recounts her adventure, sharing the ease, joy and trials of bicycling across Canada, traveling mainly off the Trans Canada Highway; up and over the mountain passes of British Columbia, against 50 km per hour winds in Saskatchewan, enjoying the hospitality of friends and strangers across the country and the joy of meeting up with friends and family en route. Be inspired as you see how a person with determination and courage can overcome difficulties to make her dream come true.
