

I dedicate these Helpful Hints for Virtuous Living Manual to inspire couples who wishes to live the way God intended it to be from the beginning. The Lord inspired me to inspire you with these hints of virtuous living, so that you may stay on the right path, living the godliest way possible, by being equal to each other, loving and caring for the other. Being a first time author, I felt compelled to reach out and give a little insight on what a virtuous person should be like as the Holy Spirit dictated, I took notes. Nothing is better than when a couple have smoke in their eyes only for each other, their significant other, either of the two is not greater or lesser than the other. I hope that you can enjoy and heed the hints in this book of virtuous living. May God bless and keep you, also, may this helpful guide lead you onto the right path of virtuousness, the way God intended. A poor but humble servant from La. wishes you all the best. Gods Servant Carolyn Walker
