

A novel about friendship, faith, and alienation, Just Another Jihadi Jane tells the tale of Islamist radicalization from the inside. Two children of Muslim immigrants in England's industrial north--thoughtful Jamilla and rebellious Ameena--become best friends, and find in religion and social media a community as welcoming and encouraging as their public education is estranging. After Jamilla's father dies and her brother marries, the two girls leave England and join the Islamist cause in Syria. The intellectual and emotional poverty as well as the violence they find there creates a story as gripping as it is heart-wrenching. As did All Quiet on the Western Front, Tabish Khair's novel reminds a new generation that heroism and sacrifice are not limited to one side in a conflict, and that the first victims of a murderous regime are those who live within it.

Tres semanas en Atenas (Bianca) (Spanish Edition), Desperate Passage, The Encyclopedia Cthulhiana: A Guide to Lovecraftian Horror (Call of Cthulhu), Minimalism: Teach Me Everything I Need To Know About Minimalism In 30 Minutes (Minimalism - Minimalist Lifestyle - Zen - Meditation - Calm), Light In the Darkness: Episode 2 (Secret Shadows Serial), The Christmas Cookie Chronicles: Carrie: A Twilight, Texas Story (Twilight, Texas: The Christmas Cookie Chronicles Book 1), GPCRs: From Deorphanization to Lead Structure Identification (Ernst Schering Foundation Symposium Proceedings),
