

Alicia and Roy Street have created a fast-paced and captivating story filled with memorable characters. I cannot wait to read the next book. • Pamela Lynne, Romance Junkies • This story has the perfect amount of giggles, gasps, and anxious page-turning. • Lisa, Lost In Literature Ballet instructor Casey Richardson takes an immediate dislike to the wealthy, arrogant Drew Byrne when he pulls his nine-year-old son out of her silly dance class. Still, she cannot help noticing his smoking hot body and bedroom eyes. The last thing she needs is for him to be the only one who can prevent the disaster of losing her dance academy, the dream she has worked so hard to turn into a reality. Can she save her school without losing her heart? Remarrying is definitely off Drew's list of things to do. He has no problem keeping it a game with some of the world's most beautiful women. So why should his son's challenging, straight talking dance teacher get under his skin in a way no other female has? He tells himself it is because Casey is the only one able to bring his shy, uncommunicative son out of his shell. Or is it because Drew has finally met his match? I couldn't put it down. I'm waiting for more from the talented duo that penned this great book. • Nikki, Storm Goddess Reviews • I thoroughly enjoyed Kiss Me, Dancer ... Casey and Drew are complete opposites who fight their romance for so long, but the chemistry between the two sizzles between the pages. • Samantha, Chick Lit Plus Alicia Street is a USA Today bestselling author. She and Roy Street are Daphne du Maurier Award-winners. OTHER BOOKS (All can be read as stand-alones.)
