

A Warlocks MacGregor Novel A Contemporary Scottish Paranormal Romance A little magickal mischief never hurt anyone... Erik MacGregor is from a clan of ancient Scottish warlocks. He isn't looking for love. After centuries, it's not even a consideration...until he moves in next door to Lydia Barratt. It's clear that the shy beauty wants nothing to do with him, but he's drawn to her and determined to win her over. The last thing Lydia Barratt needs is a demanding Scottish man meddling in her private life. Just because he's gorgeous and totally rocks a kilt doesn't mean she's going to fall for his seductive manner. But Erik won't give up and just as Lydia lets her guard down, his sister decides to get involved. Her little love potion prank goes terribly wrong, making Lydia the target of his sudden embarrassingly obsessive behavior. They'll have to find a way to pull Erik out of the spell fast when it becomes clear that Lydia has more than a lovesick warlock to worry about. Warning: Contains yummy, hot, mischievous MacGregors who may or may not be wielding love potion magick in an effort to prank their older brother, and who are almost certainly up to no good on their quest to find true love.
