

As the youngest daughter of the Empress Maria Theresa of Austria, Marie Antoinette was born into a world of almost unbelievable privilege and power. As wife of Louis XVI of France she was first feted and adored and then universally hated as tales of her dissipated lifestyle and extravagance pulled the already discredited monarchy into a maelstrom of revolution, disaster and tragedy. This illustrated first biography by historian and writer Melanie Clegg takes a fresh look at the story of this most fascinating and misunderstood of queens, exploring her personal tribulations as well as the series of disasters that brought her to the guillotine in October 1793.

The Exagoge of Ezekiel, Initiation into Hermetics, Lean Production Philosophy: Concept and Practice, Spirit of the Cedar People (with CD), Practical Manual of Funghi,
