

A sourcebook of sect conflict for Vampire: The Masquerade From Graceful Salons to the Halls of the Consistory For half a millennium the Kindred of the Camarilla have warred with the Cainites of the Sabbat. In the modern nights, though, the sect war can no longer be hidden behind the armies of kings or the fires of the Inquisition. How then do the sects resolve their conflicts without alerting the oblivious eyes of the kine? Domains Topple and Vitae Flows Freely Midnight Siege takes a look at conflict between the Camarilla and Sabbat in a real-world sense. In an age of instant communication, the Children of Caine must be ever more careful to keep themselves hidden from the mortals who would destroy them. This book explains not only how the struggle between the sects takes place, but gives character and chronicle advice for stories that take place in the midst of such conflict. from RPG
