

Smelling like an overcooked pig was only the start of a bad day! Nimue enters the shining city of Camelot with her order plain: seduce Merlin or lose her family. She knows his magic, how he can slip under a woman's skin and work his charm. It's there in the shine of his dark eyes, eyes that see through to her soul. Merlin knows what she is. In the searing light beneath the Round Room, Merlin discovers that the Lady Nimue is the same as him: a Seer. Now he must resist their attraction to save his own sanity. But a new enemy threatens Camelot with a weapon so destructive, he is forced to join with her and reach into the far future to save Camelot. Merlin has always known that knowledge has a high price. But will Nimue be willing to pay hers? Warning: Warning, this title contains the following: sex, violence and a Merlin you probably aren't expecting!
