

Seeing the great darkness within the elven princes heart, the High God cursed his descendants with a thirst for blood... Nocturne, a descendant of Prince Gilden, is an outsider. He sees humans as more than bloodmeals - something not well respected in Druen society. One winter night, his compassion gets the best of him when he kills his neighbor to save a human slave. Forced to flee his village and everything hes ever known, he begins a world-spanning journey in pursuit of his true home. His search will take him from the frozen wilderness of the Druen to the great cities of the non-cursed Elves and beyond, perhaps even into the realms of humanity. This epic fantasy vampire novel introduces a new character to the world of fantasy: Nocturne, the son of the night.
