

Taking a leap of faith is one thing, but learning to get up when you fall is a whole other story. After a summer spent with her Aunt Dee in tiny Elsbury, Louisiana, former Chicago princess Libby Gentry traded in her old life for a new one with the southern Casanova, Blaine Crabtree. But just when she thinks things are changing for the better, old girlfriends of Blaine's start coming back into the picture, and not a single one of them are friendly or bad on the eyes. Combine the worry of passing her first semester at St. Joseph Community College and sponsoring her tomboy cousin in cotillion and Libby can barely keep up. It's hard to learn to fly on paper wings. They're flimsy and can easily break. But if Libby can mend a broken heart, hopefully she can learn to fly.
