

Sheâ€™s everything he wants and all he knows he shouldnâ€™t haveâ€¦when danger strikes will he give it all up or is he doomed to live the rest of his life without her? Valentino Cassano is a man who lives in shadows, lies and secrets. He works for a group that he canâ€™t tell anyone about. When the ugliness from that world affects the woman heâ€™s had a thing with for a few years, he refuses to let her face it alone. Lexy Camden loves her life as a veterinarian. However when everything gets turned upside down and Valentino inserts himself into routine for more than a few days things get complicatedâ€¦fast. The feelings sheâ€™d been ignoring for so long wonâ€™t give her a momentâ€™s peace. As the danger to her escalates, and part of Valentinoâ€™s past comes out, will they have a chance to be a real couple or will it all be shattered with the simple pull of a trigger? Valentino has lost a lot and has no plans to do so again, now if he can just convince Lexy to give him another shot.
