

Twins Alex and Zeca love to switch identities. Its harmless fun until Alex wants to date a hot tourist visiting their home of Capri, and asks Zeca to take his place on a date with Alex's current beau, Antonio. After a day in Antonio's arms--followed by a long, lusty weekend in his bed during a trip to Naples--Zeca discovers switching places with Alex isn't so harmless after all. Especially when he realizes he's falling hard for his brother's boyfriend. While struggling with his feelings for Antonio, consoling his semi-celebrity father (who's having woman troubles) and trying not to upset Alex (who might be in love with Antonio...or his tourist tryst...or maybe the neighbor lady), Zeca wonders how any of them will make it through all the relationship woes with hearts intact. As Antonio says, Love has a way of fixing things itself. CONTENT ADVISORY: This is a re-release title.
