

Grace doesn't mind working as a performer at the BDSM club, SinSity. The wages are good and the hours fit in around her daughter. But life isn't great. Her ex husband refuses to leave her alone. And then there's Jett Olsen. A regular at SinSity, Jett's never shown her the slightest bit of interest and Grace should be glad. He might be darkly sexy but everyone knows he's a sadist. But one night, he finally notices her and offers her an enticing proposition... Freedom from her ex and safety for her daughter. All she needs to do is spend one night with him. No safe words, no limits. Is she willing to give herself to Jett in return for protection from her ex? And what does the controlling man want to inflict upon her? And... what if she enjoys it so much that one night won't be enough? Only Jett can give her the answers. **Warning:** This novella contains hot scenes and an even hotter hero. Not for those with weak dispositions.
