

Lovers or Enemies? Captain Miles Trevelyan, on leave from active service in India, is heading out for a night on the town when he rescues a beautiful pickpocket from arrest. She's the perfect choice for a few days of dalliance--beautiful, cunning, and completely disposable. But Temperance has no intention of becoming the plaything of a man who wears the uniform of the soldiers who murdered her lover. Disarming Trev with a kiss, she escapes. But her sultry kiss opens the two Scorpio adversaries to an obsessive attraction that neither can elude--or possibly survive. Following the success of her sensational debut novel, *Lord Lightning*, Jenny continues her *Lords of the Seventh House* series--in which each hero is a different sign of the Zodiac. A dark and sensual story reminiscent of the acclaimed novels of Loretta Chase, Anna Campbell, and Mary Balogh, but with a very tantalizing touch of the occult thrown in, *Star Crossed Seduction* is top-flight historical romance with a uniquely unforgettable difference.
