

By the author of *Blood Meridian* and *All the Pretty Horses*, *Suttree* is the story of Cornelius Suttree, who has forsaken a life of privilege with his prominent family to live in a dilapidated houseboat on the Tennessee River near Knoxville. Remaining on the margins of the outcast community there--a brilliantly imagined collection of eccentrics, criminals, and squatters--he rises above the physical and human squalor with detachment, humor, and dignity. From the Trade Paperback edition.
