The Bible provides the best material for learning to read, write and spell! 1. Read and study one simple Bible verse with your child everyday. 2. Your child will repeat, recite, read and write each one until they know them well. This method of learning to read and write is stress free and fun for parent and child! This is an excellent introduction to reading and writing for young children, struggling readers, 1st to 3rd graders, and children with Dyslexia. Your child will master the sight words and build a meaningful foundation for literacy. Includes both manuscript and cursive. This workbook is designed to be simple for children with dyslexic tendencies. By using the Open Dyslexic Font and using Sight Word Strategies we are able to overcome some of the obstacles caused by curriculum that depend on phonics. Children with dyslexia are confused by the words that do not follow the phonetic rules. As you know the English language often deviates from its own rules leaving dyslexic children feeling overwhelmed and befuddled. The goal of this method is to help children memorize the verses, learn hundreds of sight words, and develop intuitive decoding strategies. If your child is not confused by phonics we recommend using a fun phonics program after completing this workbook. If your child is still reversing letters be sure to start with our fun dyslexia therapy - Dyslexia Games [www.DyslexiaGames.com](http://www.DyslexiaGames.com)
