Written by the blind poet Homer over 2,800 years ago, The Odyssey was one of the first and greatest works of literature. This epic tells the story of the Greek king Odysseus who, after fighting in the Trojan War for ten years, spends the next ten years trying to return home. During his journey, he must confront monsters, hurricanes, shipwrecks, and the wrath of Poseidon, god of the sea. When he finally returns home, he must ally with the goddess Athena and use his courage and cunning to regain his kingdom and his family from the evil men who would destroy him.
