ONE SCORCHING HOT EBOOK. **THREE** is a collection of Ingrid Ashs hottest BWWM short stories, featuring billionaires, a menage, and a bit of bdsm. **THRICE AS NICE** Ginas relationship with her husband Clarence is just one problem after another. When theyre not arguing about money issues, theyre passive aggressive about their lack of passion in the bedroom. To spice things up, she comes up with a plan -- they each get to choose their #1 kink, and the other cant refuse to perform it. But what Gina didnt know is that her husband likes to watch...watch her get taken by two ripped white men at the same time, that is! And these guys have brought a few whips and restraints of their own... **MODEL BEHAVIOR** Being a broke college student is ruining Janay Richards social life. While her wealthy friends are hitting up the hottest new club in the city, Climax, shes stuck making machiattos & frappes at Spill the Beans Coffee House. And to make matters worse, theyre cutting her hours to a few measly shifts per week. So when her work BFF Tessa recommends she get a side hustle, she does just that, landing a gig as a nude model for an art class at a nearby university. But Janay has no idea just how risque this class really is. Not to mention the fact that it will require her to pose in the buff with Gavin, the sexy and mysterious white guy who always comes into her work just to get a look at her... **SHARKS BAIT** Sasha Summers is one smart and savvy businesswoman. Highly educated with a natural knack for business, shes invented a great product that she knows will be a surefire success. But one major problem stands between her and her dreams of becoming a star entrepreneur -- shes broke. With debts piling up and loans in default, shes close to giving up hope. Her luck takes a sharp turn for the better when she gets a call from the casting director of Sharks Bait, a hot new reality series that helps inventors get their products off the ground. Soon enough, Sasha is flying to New York City to pitch her business to two of the countries wealthiest, and sexiest, venture capitalists -- the charming Jonah Peterson, and the brooding Tristan Wade. These two billionaire tycoons offer her a joint deal that she cant refuse, and soon enough, more than graphs and pie charts are laid out on the boardroom table...
