

Their patience is at an end. It's been a long time coming, but they've finally had enough of dealing with the stupidity and corruption of the human race, and now it's time for them to go. In the year 2112, the military is forced to remove the government from power due to its deep-rooted corruption. Unfortunately, about half of the country supports those who were in power, which brings about riots, looting and martial law. Feeling completely disconnected from humanity, they're left with two options. Wipe out most of the Earth's population so that the human race can start over and rebuild itself from the ashes, or leave. Left with no other choice, the group finally decides to make their long-planned move to the Nathalis dimension. Transition is book 16 of the Unseen Things series.
