

Author's warning: Including, but not limited to: a deep, dark childhood, lots and lots of cussing (as in, A LOT), a ton of fighting, maybe hair pulling, a bitch with a vulnerable side, and last, but not least, uber possessive, over obsessive, crazy hot alpha males on the verge of needing therapy and maybe a tear or two. Patricia Grace Kincaid is haunted by her past and no matter what she does, the ghosts won't stay away. A childhood incident nearly ruined her life. A mistake that she made two years ago ripped her to shreds. She isn't the same feisty, fearless bitch she used to be or is she? What will happen when the person she screwed over storms back into her life? She freaks. Is it for the reason she always hoped for that Tony Lopez, the breathtakingly sexy Latino love of her life, has finally decided to forgive her? Hell no. Will he demand her complete submission? Yes. Will he make her life hell? Double yes. Will she, in return, torture him? Hell-to-the-yes. Will her past come back to haunt her? Absolutely.
