

Time Is Running Out In Two Realities. In one world, a lethal virus threatens to destroy all life as scientists and governments scramble to find an antidote. In the other, a forbidden love could forever destroy the ragtag resistance known as **The Circle**. Thomas can bridge both worlds, but he is quickly realizing that he may not be able to save either. In this mind-bending adventure, Thomas must find a way to rewrite history as he navigates a whirlwind of emotions and events surrounding a pending apocalypse. The fate of two worlds comes down to one man's choice--and it is a most unlikely choice indeed. Life. Death. Love. Nothing is as it seems. Yet all will forever be transformed by the decisions of one man in the final hours of the **Great Pursuit**.
