

I would highly recommend this book! Veronica Blade has out done herself and I am eager for the next installment in the Shapes of Autumn Series. -- Tifferz and Her Sisterz Book Reviewz This is a sweet series and Ill be (im)patiently waiting to find out whats going to happen next for Autumn and Zack. -- Suzanne of Paranormal Book Lover Veronica Blade is simply the Queen of YA paranormal romance!!! -- April of Cafe of Dreams Book Reviews NOTE FROM THE PUBLISHER: As with any Veronica Blade book, this is a ROMANCE NOVEL, meaning its romance FIRST and everything else is secondary. Rated PG-13 for sexual situations and mild profanity. THIS IS BOOK #2 IN THE SHAPES OF AUTUMN SERIES Their forbidden love could cost them their lives... Autumn's just learned she's a shape-shifter " something her parents should've told her long ago. Unless they adopted her and didn't know she wasn't human. Either way, learning the truth has the same outcome: her parents lied. Zack is the only one she can count on, but he's a werewolf and the king's decree forbids contact between the species, let alone love. Zack's planning to leave after graduation, but letting him go isn't an option. He's becoming more a part of her every day, a part she would fight for, give up everything for " even kill for. If she's not killed first. If Zack's experience with his own kind has taught him anything, it's that werewolves can't be trusted. He'd rather die free than live in a pack under the rule of the werewolf king. So, instead of preparing for college like any other senior, he's planning to go on the run after graduation. Escaping won't be easy with the werewolves guarding him. But until that day comes, Zack knows he's endangering Autumn every moment he's around her. If it's this difficult staying away from her now, how hard will it be to leave her behind in just a few weeks?
